The text of the article

Sources and Literature

First name, last name, title of the article, annotation in Russian with a list of keywords

First name, last name, title of the article, annotation in English with a list of keywords

7. The list of sources and literature is located alphabetically or in order of their use after the text of the article with the subtitle «Sources and Literature» and is performed in the original language. In the list of references it is indicated the total number of pages (for books) or page numbers of the beginning and end of the text of source (for articles). Sources in the list of references are numbered by hand without using the «Numbered List Properties» menu Word. Requirements for registration of the list of sources and literature: Kegel – 12, line spacing – 1, without indentation.

8. References in the text are given by the following example: [12, 10], where 12 is a number of the source by the list, 10 is a page. References to several sources simultaneously are given as follows: [1; 2; 3] or [1, 11; 2, 14; 3, 153]. References to archival sources – [4, 16, 16 reverse]. Scholars, researchers, personalias mentioned in the text are called in alphabetical order, for example: I. Bondarenko, B. Kovalenko, S. Shevchenko and others.

9. The article is accompanied by an author's reference indicating the author's last name, first name, middle name (in full), scientific degree, ranks, incumbency, workplace, postal code, home address and telephone numbers, e-mail addresses.

10. The authors of articles and materials are responsible for the contents, accuracy of submitted facts, quotations, numbers and surnames. Any changes of editorial nature can be change in the article without the consent of author. The editorial board reserves the right to reject substandard materials without explanation. The editorial board may not share convictions and scientific views of the authors.

11. In the case of reprinting of «MILITARY-HISTORICAL MERIDIAN» the reference is required.
